EXTRACTS FROM NEWSPAPERS.
Weller's Patent Jopan Blacking is the name of entirelic; we have seen it used, and can highly and it.—N. American, April 15. By reference to another column, an advertisement will be bound for an excellent article of Blacking, in a Liquid form, for Books &c. It has been highly recommended by many who have tried if. It not only gives, with very life trouble, a benuityle fee possible, but retains it much longer than any other. It is soot by the agent of the manufactur-er at No. 50, Chestnut street. Buy a bottle, one trial will prove the fact.—Phil. Ledger, April 23.

Patent Blocking.—Mr. J. Wellar, No. 50 Chestnut street, as prepared a Patent Liquid. Blacking, which produces a seautiful jet polish, and does not injure the leather. Those sho would have a polished understanding should read the divertisement in another column.—U. & Gazette, May 1.

wiederiesement in another column. — U. S. Gazeire, May I.

Wellar's Patent Japan Blacking is about the best article of the kind we have seen. The pollah which it imparts to the understandings of man is brilliant and hating we have treed it, and it does us to say all this in its behalf.

[Exercise Bulletin, Jane I.

The Manufacturer can produce numerous testimonials similar to the above, from private individuals and from other papers, but the above extracts are sufficient to convince any person that the manufacturer has not exaggerate; but the above the Blacking will be found as its first than the sufficient to convince any person that the manufacturer has not exaggerate; but the above on a fact with the Blacking will be found as 1.
